NEHSSP Report : Spring Term 2014

Another great term of activity by staff as well as pupils and students!

Training Opportunities

Youth Sport Trust Physical Literacy Training Course: Jan 27th:
6 schools invited to attend in order to be part of a national pilot scheme.
KS1 Gymnastics: Jan 29th:
Following last term's successful course a second was held, this time hosted by Roger de Clare, with attendance by whole staff plus staff from 3 other schools.
Curriculum Audit, Review and Planning: Feb 6th:
hosted by Freman College and attended by staff from 20 schools.

Staff from all schools have also been invited to attend planning meetings in cluster groups to review and amend development plans and to discuss future plans.

Staff from all the schools are invited to termly twilight meetings and those staff who are released from their schools to work within the partnership meet each half term.

Activity with Schools

All first and primary schools have been offered;

- coaching in tag rugby and festivals
- tri golf and tennis coaching with festivals in the summer term
- support with gymnastics
- support with multiskills
- support with leadership: schools are encouraged to develop leadership including the Rockets KS1 Initiative
- support with setting up/re-introducing/revitalising a Change 4 Life Club and access to Change4Life celebration events

Apprentices

Many thanks to everyone for welcoming our apprentices so warmly into your schools either for their development or to work with your staff. They have been busy supporting many events and activities and have gained a wealth of knowledge and experience. At the end of the year they will have completed the following formal qualifications:
Level 2 NVQ in Activity Leadership, Level 2 Award in Employers Awareness, Level 2 Award in Leading Health Related Activity Sessions, Safeguarding and Protecting Young People, Emergency First Aid.

Events, Festivals and Herts School Games

The calendar includes events for all our schools with some events on the programme being the preliminary events leading to the Herts School Games which are the county finals (Level 3) and part of **The School Games Initiative.**

Rugby	Under 13 Girls	Greneway	June 27th
Volleyball	Under 15 Girls	Meridian	June 27th
Volleyball	Under 15 Boys	Meridian	June 27th

Festivals

Partnership events this term have included:

- Year 3 & 4 tag festivals at Greneway, Meridian, Roysia and Ralph Sadleir involving 645 young people and 110 leaders from the host schools plus referees from Meridian and Freman.
- Speedstacking Festivals: 8 schools took part with some excellent standards of performance and with Layston finishing as winners.
- High 5s: Greneway hosted an 8 team competition from the 4 middle schools and St Thomas of Canterbury. This was a great evening of play with some real improvement shown over the course of the evening.
- Various individual matches, tournaments and leagues played or planned thus increasing the level of activity around the partnership
- ….and it was fantastic to be able to invite schools to compete at futsal and sportshall athletics in the new Sports Hall at Freman opened in January.

Many Thanks to Royston Netball Club and Royston Rugby Club for their involvement in festivals this term.

And for those interested in data there have been 1113 further opportunities for our young people this term making a total of 2232 for the year. The total of leaders involved has now risen to 350.

Satellite Clubs, a Sport England initiative*: satellites are extensions of community sports clubs identified as the 'hub' club who bring their expertise to a new setting on a school site. Aimed at attracting semi sporty 11-25 year olds satellite clubs will bring sport to young people in a familiar environment.* All secondary schools are to be offered a satellite club over a 3 year period.

So far discussions with the Cricket Foundation are going well for the setting up of a satellite cricket club at Meridian; in addition it is hoped to run a Royston Hockey satellite club also hosted at Meridian.

Secondary School Sport Clubs: *innovative school sport club formats of clubs run by young people for young people developed in partnership with sport national governing bodies designed for Key Stage 3 pupils are to take place on secondary school sites.* These clubs are in the early stages but Netball at Roysia, Basketball at Greneway and Basketball at Freman involving Ralph Sadleir and Edwinstree pupils have been set up.

Working in partnership continues with the Herts Sports Partnership, Sport North Herts, Active East Herts & Sport Royston.
