

Physical Education at Greneway

We are proud of the PE curriculum and sporting opportunities that we have on offer at Greneway. We believe that PE and School Sport, not only contributes to the physical development of pupils, but also makes a significant contribution to pupils' personal well-being and enjoyment of school. The 'Sport Premium' will enable us to enhance our provision.

Primary Age Sports Funding: Sport Premium

What is the Sports Premium?

What is the Primary PE and Sports Premium?

The Government has provided funding of £150 million per annum for academic years 2013/14 – 2016/17 to provide new, substantial primary school sport funding'. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school (Key Stage 2: Year 5/6 at Greneway) Headteachers to spend on improving the quality of PE and School Sport for all their children.

From September 2017 the government are allocating funding directly to primary schools to support the provision of quality PE and school sport. Each school will receive £16,000 plus an extra £10 per pupil each year for the next two years - here at Greneway that will mean around £18,000 a year.

The sport funding can only be spent on improving sport and PE provision in schools.

Department for Education Vision for the Primary PE and Sport Premium

ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport

The funding has been provided to ensure impact against the following **OBJECTIVE**:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (*above*) that will live on well beyond the Primary PE and Sport Premium funding.

It is expected that schools will see an improvement against the following 5 key indicators:

- the engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school
- the profile of PE and sport being raised across the school as a tool for whole school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

Swimming and Water Safety:

For the 2017 to 2018 academic year, there is a new condition requiring schools to publish how many pupils within our year 6 cohort are meeting the national curriculum requirement to swim competently, confidently and proficiently over a distance of at least 25 metres, use a range of strokes effectively and perform safe self-rescue in different water-based situations.

This condition has been added in response to recommendations from the Swim Group, who reviewed curriculum swimming and water safety in primary schools.

Purpose of funding

We have to spend the sport funding on improving their provision of PE and sport, but have the freedom to choose how we do this.

Uses at Greneway for the funding include:

- hiring specialist PE teachers (our own NEHerts SSP SSCO) or qualified sports coaches (our own Greneway coaches) to work alongside primary teachers when teaching PE
- new or additional Change4Life sport clubs
- paying for professional development opportunities in PE/sport
- providing cover to release primary teachers for professional development in PE/sport
- running sport competitions, or increasing participation in the school games
- buying quality assured professional development modules or materials for PE/sport
- providing places for pupils on after school sport clubs and holiday clubs.

How will we be spending the Sports Premium and who will benefit?

Please see Action Plans and Evaluations:

In order to fully fund the programmes, the school will also be making a further financial contribution.

How will the impact be measured:
