

Allocated Greneway School

Please be assured much consideration goes into placing your child in the most appropriate form group.

As part of the transition process, a meeting will take place this term between the Year Leader and your child's current Year 4 teacher where individual pupils needs are discussed. The decision where to place your child is then made in collaboration with the Year Leader and their current Year 4 teacher.

If you feel that there is important information regarding your child that would assist us further in making these decisions, please share this with us below.

Pupil's Name:
Present School:
Children I would prefer to be in my child's class: 1) 2)
Child I would prefer not to be in my child's class: 1)

Whilst we aim to meet parent requests as above, we hope that you will appreciate, that this is not always possible.
